Winter is Coming

Dark days have overtaken the land. Our elected officials have sold us out to the highest bidder. This is no joke, Rick. We're in trouble.

The richest 1% get tax breaks while the middle class continues to erode. Our planet warms while our government continues to ignore it. Our healthcare system continues to be the leading cause of bankruptcy for most Americans. The **root** of all of this government dysfunction is big money corrupting our politics. And we must **take action now**.

The battle for the soul of our democracy is coming to state legislatures all across America, and Wolf-PAC warriors are on the front lines deploying a **proven strategy** to demand constitutional change that will ensure a government responsive to the people.

Our goal is to have **500 new members** before the New Year (**January 1, 2019**) because our mission is not only big but **highly important**. [I'm asking you to step up and support this mission and the people working tirelessly to fix our broken government.](#)

BECOME A MEMBER

Wolf-PAC has already made American history by getting 10% of our state governments to demand a U.S. Constitutional Amendment to ensure Free and Fair Elections. In the fast approaching legislative session, it's crucial that we keep the pressure up and continue to add more states to this list.

It takes a lot of resources to wage a **battle of this magnitude**. Our volunteers will do the meticulous, painstaking work of speaking with state legislators, testifying at committee hearings, knocking on doors, talking with voters, and monitoring key floor votes. [Please give them the backup they need and help us prepare for the coming battles by becoming a Wolf-PAC member today.](#)

There is too much at stake. Sitting on the sidelines is NOT an option.
Forward,

P.S. If you're a previous member, [we need you back](#). It's go time.

Take Action

We are all in this together. It is urgent that we restore a government responsive to the people, and we rely on the generosity of friends and donors to keep our movement strong. Every gift, large or small, and volunteered time, makes a huge difference and supports this critical grassroots effort!
